THE SCIENCE OF CARE™

MEDELA WEBINAR SERIES

WEBINAR 2 – FEBRUARY 14th, 2024

PATIENT CENTRED CARE TO IMPROVE CLINICAL PATHWAYS AND QUALITY OF CARE

How to translate general practice guidelines into customized protocols according to your patients' needs and resources, for better collaboration and improved outcomes? A "key care elements" approach will be considered to ease implementation into the operational reality.

*Clemens Aigner
(Vienna, Austria)*

Moderation:

*Eric de Loos
(Heerlen, The Netherlands)*

*Alex Brunelli
(Leeds, UK)*

Speakers:

*Daniela Molena
(New York, US)*
